

RECIPE 1:

Gluten Free, Vegan Lemon Scone Mix - Instructions:

Yield: 6 scones

Ingredients:

8 oz. Mix

4 TBSP milk of choice (for VEGAN option, use vegan-friendly milk or milk replacer)

4 TBSP cold butter (for VEGAN option, use solid coconut oil)

Directions:

1. Cut butter/coconut oil into dry mix until pea-sized lumps form.
2. Add milk of choice and stir until just combined. Do not over mix.
3. Shape dough into disc approximately 7" in diameter and 1/2" thick. Place on lightly greased or parchment paper-lined baking sheet or scone pan. Score into 6 wedges, cutting all the way through but not separating.
4. Bake in pre-heated 400° oven for 11-13 minutes or until pick inserted in center comes out clean with little to no crumbs.
5. Cut into wedges and cool completely before (optional) frosting or glazing.
