

Commercial Recipe:

Chocolate Cheesecake Mix - Instructions:

Yield: (1) 9" Pie (8 servings)

Ingredients:

7 oz. Mix
2/3 cup milk
16 oz. cream cheese, softened
(1) 9" pie crust
Optional: whipped topping

Directions:

1. Beat Mix and milk on medium-high speed in mixing bowl until very soft peaks form (about 3-5 minutes).
2. Add cream cheese and continue beating several minutes on higher speed until mixture is smooth and fluffy.
3. Spoon into desired crust and chill for at least 30 minutes.
4. Serve cold. Top with whipped topping as desired.
