Commercial Recipe:

Chocolate Cheesecake Mix - Instructions:

Yield: (1) 9" Pie (8 servings)

Ingredients:

7 oz. Mix

2/3 cup milk

16 oz. cream cheese, softened

(1) 9" pie crust

Optional: whipped topping

Directions:

- 1. Beat Mix and milk on medium-high speed in mixing bowl until very soft peaks form (about 3-5 minutes).
- 2. Add cream cheese and continue beating several minutes on higher speed until mixture is smooth and fluffy.
- 3. Spoon into desired crust and chill for at least 30 minutes.
- 4. Serve cold. Top with whipped topping as desired.
