GMO/BE Status
This product is not genetically modified and does not require BE Labeling.

Gluten
This product is not derived from a gluten-containing grain pursuant to 21 CFR 101.91 (wheat, rye and barley). In addition, the product has not come in contact with any known gluten-containing ingredients druing processing. However, please be informed that testing has not been performed on the product to confirm the absence of gluten.

Natural
This product does not contain artificial or synthetic ingredients (including color additives regardless of source).

Vegan-Vegetarian
This product is not derived from and does not contain animal products and is suitable for a vegetarian and vegan diet.

Non-Irradiation
While in our control, this product has not been subject to an irradiation step.

Food Grade
This ingredient is intended for food use and shall be free of any poisonous or deleterious substance which may render food products injurious to health or cause such food products to be adulterated within the meaning of the Federal Food, Drun and Cosmetic Act of 1938 (as amended) and all applicable regulations there under, and with all Federal, state or local laws and regulations.

BSE-TSE
To the best of our knowledge and belief this product does not contain any materials of bovine, ovine or caprine origin.

GRAS
This product is comprised solely of food products and/or ingredients Generally Recognized as Safe (GRAS) and are procured and produced in a manner to maintain this status.
