

Spinach Powder

AQAA

Description: Spinach powder is made from ground, dried spinach leaves. Spinach powder has a mild spinach flavor.

Physical Properties

Appearance Bright to deep green.

Organoleptic Properties

Flavor Typical of spinach.

Chemical Properties

Moisture Maximum: 7 % Method: Halogen Thermogravimetric Analysis

Microbiological Properties

E. Coli <10 cfu/g or <3 MPN/g Method: FDA BAM or AOAC equivalent

Salmonella NEG/25g Method: FDA BAM or AOAC equivalent

Packaging, Labeling, Storage

Packaging Plastic jar, bag in box or to customer specification.

Receiving Conditions Product should be shipped and handled in a sanitary manner.

Storage Conditions Store in a dry, cool place.

Shelf Life 36 months (under optimum storage conditions).

Other

Gluten Status This product (and if applicable its ingredients) by nature does not contain the gluten proteins found in wheat, rye or barley. This product has not been tested to verify gluten levels less than 20 ppm.

Natural Status This product and/or its components does not meet the definition for all natural.

BE Status This product does not contain bioengineered ingredients.

Vegan Status This product does not contain any animal derived products including meat, milk, seafood, eggs, honey or bone char.

Halal Status This product does not contain alcohol, natural L-cysteine extracted from hair or feathers, animal fats and/or extracts, bloods of any origin, blood plasma, pork and/or other meat by-products & alcohol is not used as a processing aid.

SDS Waiver To the best of our knowledge this product is non-hazardous and not subject to the requirements of 29 CFR 1910.1200. Although this product does not require specific hazard precautions, users should take care to minimize personnel exposure and workplace contamination.

SPINACH POWDER

We produce our Spinach Powder by simply grinding whole, dried spinach leaves to a finely textured powder that preserves the vibrant green color and mild spinach flavor. Ideal for recipes where spinach flavor and/or color is desired, but not whole leaves.

- Fine (60 mesh) powder
- Medium green color
- Vegetal, slightly bitter spinach flavor
- Extended shelf life

BASIC PREP

Ready to use. No preparation necessary.

SUGGESTED USES

- Can be used in yeast breads, quick breads or muffins
- Add to pasta dough for green color and spinach flavor
- If adding to dough, mix into flour before adding wet ingredients-use about 1/2 ounce for every pound of flour
- Combine with herbs or sun-dried tomatoes for a light, savory flavoring for chips and

RECIPE

Roasted Carrots with Spinach Green Goddess Dressing

2 pounds carrots, washed and trimmed
3 tablespoons olive oil, divided
2-1/2 teaspoons kosher salt, divided
2 anchovy fillets, rinsed, patted dry, and coarsely chopped
1 medium garlic clove, smashed and peeled
1 cup mayonnaise
1/2 cup sour cream
1/4 cup Spinach Powder
2 tablespoon dried tarragon leaves
2 tablespoons dried chives
2 tablespoons freshly squeezed lemon juice
Freshly ground black pepper, to taste

Makes 1 3/4 cup

Preheat oven to 400°F.

Place carrots on rimmed baking sheet. Drizzle with 1 tablespoon olive oil and toss with 2 tablespoons salt. Arrange in a single layer on sheet pan.

Roast in oven until tender and beginning to brown, about 20 minutes. Remove from oven and cool to room temperature.

Meanwhile, place remaining ingredients, including remaining 1/2 teaspoon salt, in blender and process until smooth, stopping to scrape down sides of blender as needed. Dressing may be thinned with water if needed. Adjust seasoning with additional salt and pepper as needed.

To serve arrange carrots on serving platter and drizzle with dressing.

Makes 4 servings

The simple act of roasting carrots brings out their natural sweetness and elevates them beyond an ordinary side dish. Green Goddess Dressing has been around since the 1920s, but aside from a brief resurgence in popularity in the late 1970s and early 1980s, it is often overlooked in favor of caesar or ranch dressing. We've updated it with the inclusion of Spinach Powder which gives it a striking green color and a mild, herbaceous flavor.

INGREDIENTS

Spinach, Silicon Dioxide.
